Expected Outcomes

Dramatically change the character and spiritual strength of preaching and churches in Africa.
Provision of at least one key Bible study resource to each pastor in attendance at each conference
Impact approximately 2 million souls through 20,000 pastors and their churches
Continuing education opportunities for at least some of the pastors through our partners

Contribution of the Indigenous Church

Significantly reduced cost of logistics
Provision of volunteers to handle all set-up, tear-down, clean-up, maintenance, food service, ushering, security, worship leaders and music
Attending Pastors' gracious acceptance of modest transportation, housing and meals
Payment of a small conference fee

Collaborating Ministries

(IBC has a working relationship with the following ministry partners)

The Masters Academy International – TMAI

TMAI is a fellowship of indigenous Bible training centers around the world.

The Urban Ministry Initiative – TUMI

The international training arm of *World Impact*, TUMI equips leadership especially among the poor.

Precept Ministries International

Through Bible study materials and equipping, Precept establishes people in God's Word.

Youth for Christ – YFC

Working with the local church YFC raises up life-long followers of Jesus who lead in godliness, and devotion to Christ through Bible study, prayer, and social involvement.

Peacemaker Ministries – PM

PM equips the church in methods of biblical conflict resolution that honor God and others.

Life International –

LIFE's focus is to see people come to new life in Christ and pre-born lives saved from abortion.

Faith Comes by Hearing – FCBH

FCBH offers Audio Bibles through state-of-the-art technology, free of charge, to millions of people worldwide. The ministry has Bible recordings in over 1,000 languages spoken by 6 billion people.
